

Sister Kathleen Dunham, SSND - 60 Year Jubilee!

*"In all my teaching assignments,
my greatest enjoyment has always been
being with the students. . ."*

Sister Kathleen Dunham grew up in Newark and met the School Sisters of Notre Dame when she was a student at Saint Peter Elementary School. She graduated from Our Lady of Good Counsel High School and earned her bachelor's degree in education at Notre Dame of Maryland. She later received a master's degree in religious studies from Boston College. Dunham taught all subjects at the elementary school level, and taught math, science, and religion at the middle school level. During her eight years at the Academy of the Holy Angels, she taught religious studies, prayer and SSND spirituality, and Old Testament.

"In all my teaching assignments, my greatest enjoyment has always been being with the students, no matter what the subject, I have always felt privileged to be a part of their lives and to help them to learn and to grow as the year progressed.

I have loved being at the Academy of the Holy Angels; it has been one of the highlights of my teaching years, the girls at Holy Angels are wonderful! It has been a privilege and joy to work with them. I am proud to say that Holy Angels is a sponsored school of the School Sisters of Notre Dame. It is an excellent school and a real pearl in our history of education."
