

Sister Joan O'Connell, SSND - 70 Year Jubilee!

Devoted to Education!

Sister Joan O'Connell has served in Chicago for most of her life as a School Sister of Notre Dame. Devoted to education, she ministered in both elementary and secondary schools, retiring from Holy Cross High School in River Grove IL in 2004.

She took time out to serve in the SSND Generalate in Rome from 1995-1998.

Like all Sisters, Sister Joan did not put up her feet at retirement, but took on a new role as Financial Administrator for Chicago's SisterHouse. There, she was lauded for her dedication and thorough attention to detail:

"The countless hours she commits to SisterHouse each week are vital to our operation, and she brings the spirit of the SSND to our facility, as well."

Sister Joan also served at Corazón a Corazón in Chicago, from 2004-2016.

Sister Joan, lives at Resurrection Life Center, Chicago IL, where she continues her ministry of prayer and presence. On June 3, she celebrated Jubilee at Marian House with the other Chicago-area Jubilarians.
